Your broad area of research project will be Molecular photonic sensor for Bio-molecule detection

Check it and put a small abstract.

Subject: Inquiry Regarding B-Tech Project for the upcoming academic year

Respected sir,

My name is Haribhajan Kushwaha , and I am currently a 3rd Year student in the Physics department (Engineering Physics).

I am writing this email to inquire about the possibility of undertaking my [B.Tech](#) project under your guidance.

Would it be possible for us to schedule a meeting at your earliest convenience to discuss potential project topics if you have any.

Thank you very much for considering my request. I look forward to the opportunity to meet and discuss further.

Sincerely,
HARIBHAJAN
